Crowndale Farms has moved from Brookshire to a lovely new farm in Sealy, TX. Located on 54 wooded acres near Cat Springs, TX, Crowndale's big Irish Draught horses will find much more room with lots of trees and a great view of the surrounding countryside. Just three days after the move, Ballybeg Hallie produced a filly by Braveheart at nine oclock barn check and Colette, following her example, gave birth to Lolita. This birth was not expected as Colette hadn't even begun to bag-up. Maggie gave birth to her filly Erin by Macs Blue Erin two weeks later. See the photo of the fillies above. Come visit us at the new place!

Sonesta Farms debuted its two year old bay leopard spotted Knabstrupper stallion at Proud Meadows Breed Shows in June. He attracted a lot of attention with his loud color and nice movement. We were also very proud of our boarders. Shelli Jozwiak, won the amateur handler class with her pinto Oldenburg filly, Spectaculare, by Spectrum. And Jennifer Booth won the Materiale class with her black Half Arabian/Friesian mare, Midnight's Magic Genie. The show was a lot of fun and we can't wait for the next one this fall.

SCSBA has placed ads for its members in the Hunter and Sport Horse Magazine (July/Aug Issue), the Nov/Dec Breeding issue of H&S, the December stallion issue of the Chronicle of the Horse, and the January Young horse issue of Dressage Today. With all this exposure planned, this is a GREAT time for member breeders to list their horses for sale on our FREE website listings! Please get them in!

MARKETING

A couple of new, much larger Banners have been ordered for SCSBA. These banners will be displayed at the breeding shows, hunter/jumper shows and dressage shows to help promote our members horses.

If you will be attending a show, please contact us to make sure you have brochures to hand out about our association. Let's all work together to gain more members and more exposure for our group and our horses.
